

EYFS – Mounting stairs, climbing, walking down steps, carrying a small object with stability, run skilfully, negotiating space, standing on one foot

PE Curriculum Road Map

Curriculum Plan

In EYFS we teach two units of history linked to the objectives in the new EYFS framework using real life experience of history and books

In KS1 we focus on fundamental movement skills and start to introduce other areas of PE.

In KS2 we teach PE by repeating the 6 areas of PE. Building on skills developed in previous years.
