

British Values at Cobbs Brow Primary School: Key Stage 1

Rule of Law

- School rules and making the right choices - children are encouraged to think about the difference between right and wrong
- Understanding there are consequences for their actions
- Team games in PE (rules) and Sports day
- Police visits and Fire Safety talks
- In the 'London's Calling' topic children learn about the Houses of Parliament and the rule of law for our country.

We learn about important national and international events

Bonfire Night, Remembrance Day, Harvest, Chinese New Year, special days for the Queen and Royal Family, Black History Month

Democracy

- Voting for different choices in class- topics and activities
- Voting opportunities: headteacher for the day', class representative on the school council
- Children are encouraged to make decisions together and know their views count and their opinions are important
- In the 'London's Calling' topic children will learn about the Houses of Parliament and the democratic process.

Mutual Respect and Tolerance of Different Faiths and Beliefs

- Through PSED children learn about 'Health and Wellbeing', 'Relationships' and 'Living in the Wider World'
- In RE- Christianity, Hinduism, Islam and Judaism are studied as part of the curriculum
- Visitors from different faiths are invited into school
- Participation in fund-raising activities eg Children in Need, Red Nose Day- supporting children near and far
- In the 'Powerful People' topic children learn about the impact of significant people from a range of backgrounds and cultures.

Individual Liberty

- 'Growth Mindset' to develop children's self-esteem and confidence in their abilities
- Making their own behaviour choices and following the whole school ethos
- Participation in class performances, assemblies and the Christmas show
- Being responsible for their own health and wellbeing e.g. eating healthily (nurse visit) and keeping safe (police/ fire, road safety visits)
- In the 'Penguins, Parrots and Pandas' topic children learn about looking after our environment and how they can contribute to looking after our planet
